ROTARY PRICE SHEETS

LONG TERM STORAGE

LONG TERM STORAGE - INDOOR

| MODEL | D/N ADDER | LEADTIME |
|-------------------------|--------------|--------------|
| Small UP Series 5-15 HP | \$682 | Plus 2 Weeks |
| UP6 Pegasus I 15-30 HP | \$682 | Plus 2 Weeks |
| UP6 Pegasus II 30-50 HP | \$682 | Plus 2 Weeks |
| Nirvana 7.5-15HP | \$682 | Plus 2 Weeks |
| Nirvana 20-40HP | \$682 | Plus 2 Weeks |

LONG TERM STORAGE

Factory prepared Package for Long Term Storage of up to two years.

For indoor location between 40 - 95° F and typical humidity between 50 - 70%.

Oxidation Inhibitors will be placed within the Electrical Enclosures and Compressor Compartments.

Compressor Pkg, Filters, Silencers, and Mufflers will be wrapped completely and sealed for protection.

All openings will be sealed with plastic plugs.

PREPARATION FOR START UP

Unwrap and install all Filters, Silencers, and Mufflers.

Remove Plastic Plugs from all openings.

Remove all Oxidation Inhibitors Packets from the Electrical Enclosures and Compressor Compartments.

Follow standard Start Up procedures from the Instruction Manuals and change coolant after 1/2 Hour run time.

ROTARY PRICE SHEETS COATED RECEIVERS

EPOXY COATED RECEIVERS (INSIDE ONLY)

(Adders to Receivers, do not deduct standard cost)

| SIZE (GAL.) | D/N ADDER | LEADTIME |
|------------------------|----------------------|-----------------|
| 80 | \$1,793 | Plus 2 Weeks |
| 120 | \$1,795 | Plus 2 Weeks |
| 240 | \$1,859 | Plus 2 Weeks |

EPOXY COATED RECEIVERS (INSIDE & OUTSIDE)

(Adders to Receivers, do not deduct standard cost)

| SIZE (GAL.) | D/N ADDER | LEADTIME |
|------------------------|----------------------|-----------------|
| 80 | \$2,044 | Plus 2 Weeks |
| 120 | \$2,046 | Plus 2 Weeks |
| 240 | \$2,111 | Plus 2 Weeks |

NOTE:

ORDERING PROCESS:

As part of the Unit on the same Order Line.

- For ITS - Choose 'Special Option' in the Configurator. Include the CCN of the Submittal Package in Text.
- For IRI - Submit a 'New Item Creation Ticket'. Reference the CCN of the Submittal Package.

NOTE 1: May be ordered separately. A 'New Item Creation Ticket' is required for both ITS & IRI Orders.

Supply Order and/or Serial Number when ordering Submittals separately.

NOTE 2: Cannot be ordered separate from the Unit.

ROTARY PRICE SHEETS PERFORMANCE TEST

ISO1217 Performance Test of complete Package and supplied Certificate (Non-Witness)
MUST BE PRE-APPROVED BY ENGINEERING.

| PACKAGE STYLE | D/N ADDER |
|------------------------|--------------|
| Small UP Series 5-15HP | \$1,600 |
| UP6 Pegasus I 15-30HP | \$1,800 |
| UP6 Pegasus II 30-50HP | \$1,800 |
| Nirvana 7.5-15HP | \$1,600 |
| Nirvana 20-40HP | \$1,800 |
